German students were very interested in these souvenirs of Mr. Clark's sojourns in Germany, Austria, Liechtenstein, and Switzerland. Displayed are two "Bierkrugs," cushion covers, guide book, souvenir plates, dozens of colored postcards of places visited, and a book about Vienna, presented by the Mayor of Vienna. Represented: Liechtenstein, Zurich, Lucerne, Innsbruck, Munich, Berchtesgaden, Vienna, Linz, .Salzburg, Ulm, Koln, Wuppertal, Hannover, and Berlin among other places, including Dachau. Mr. Clark spent five years in Germany, and visits there every few years.

Club members have seen colored slides of many of the places in Germany, Austria, and Switzerland that Mr. Clark visited and photographed. These include slides of castles, churches, monasteries, islands, cities, alpine landscapes, traditional costumes, ancient, and modern buildings in various styles. German classes have also heard tapes of German songs—folksongs, modern hits, and marching songs.
