## *Cheerleaders Boost*

School spirit is one of the most significant aspects of school life. The Eagle cheerleaders work long and hard to see that the team gets the student body support it needs. They not only perform at each game, but they plan weekly pep rallies, hang posters around school, and generally inspire enthusiasm whether through victory or defeat. They earn the credit given to them.

At the LaMarque game the cold proves too much for everybody, but it does not stop the spirit.

# Eagles Open With Victories

The 1964 varsity football squad started the season hoping to prolong the twelve game undefeated streak from the previous year. After three weeks of tedious practice, the Eagles, rated fourth in pre-district polls, took to the familiar Memorial Stadium turf to face their first opponent.

The Eagles opened their campaign against the highly rated South Houston Trojans. Starting the game as underdogs, the Eagles quickly showed they came prepared to win. Galen Russell's pass interception on the Trojan's 35 yard-line set up the game's only touchdown. With just minutes left in the first quarter, John Burns passed 14 yards to Everett Williams for the score. Gary Barfield's conversion raised the margin to 7-0. The lone touchdown stood as the two outstanding defenses battled equally the rest of the game. This upset win vaulted the Eagles into the state's top ten ratings.

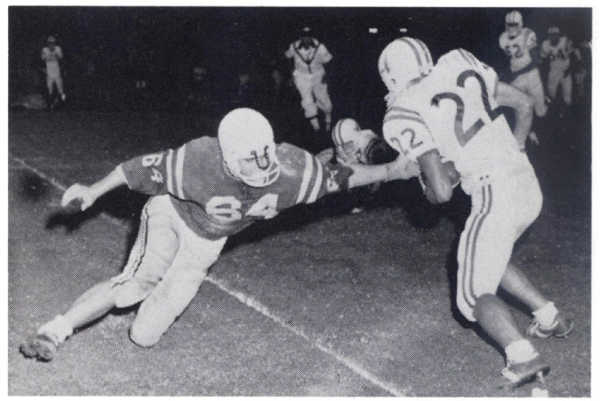

Junior halfback Jimmy Lewis finds running room around end in season's opener.

The Eagles fought their way from behind to defeat the Port Arthur Yellow Jackets in their powerful attempt to gain revenge for two one-point defeats of last season. On their own field, the Jackets scored first when their fullback plunged over for the final few feet. They split the uprights for the extra point. The clock was ticking off the first half when John Burns passed to the two yard line. Out of time-outs, the Eagles skipped the formalities of a huddle and with no time left in the half Burns tossed to Larry Henson for the team's first six points. In the third quarter, Jimmy Lewis sprinted thirty yards to the Port Arthur fifteen. From there the Eagles drove the ball to the one yard line. On his second attempt Burns lunged in for the score. The fourth quarter was a seesaw battle between two superb defenses. Although both teams threatened in the closing minutes, the score remained 12-7.

The Eagles' opponents in the third game of the season were the Port Neches Indians. Port Neches pushed across 7 points the first time they had the ball and held the lead until just before half-time when Larry Henson caught a 10 yard pass from John Burns for the touchdown. The same combination worked for the extra point, and the Eagles had a halftime lead of 8-7. In the third quarter, the visiting Indians went ahead again by a 14-8 score. The Eagles tied the game late in the fourth quarter with an 80 yard drive attempt. The march took 20 plays, with Burns scoring on a one-yard plunge with only 1:27 showing on the clock. The extra point was wide, and the Eagles were forced to accept a 14-14 deadlock.

## *Eagles Defeat*

The Eagles overpowered the Texas City Stingarees in Pasadena's first district game. Midway in the second quarter, the visiting Pasadenians drove to the one yard line. From there Carl Scott sped around the end for the first half's only points. Scott scored again in the third quarter, this time from the five. He also picked up the two extra points. In the fourth quarter, Ben Basey intercepted a pass on the Stingaree thirty-six, setting up the Eagles' third score, a 30 yard pass from John Burns to Jimmy Lewis. Burns' pass to Larry Henson was good for the two points. Gary Barfield recovered a fumble on the Texas City thirty yard line which resulted in Pasadena's final score. The touchdown came when Steve Starkey found running room around the left end and crossed the goal from ten yards out, leaving the score 28-0.

Jimmy Lewis (22) follows Ralph Hammond's block for good yardage.

John Burns (11) changes pace to take advantage of Ray Verducci's blocking.

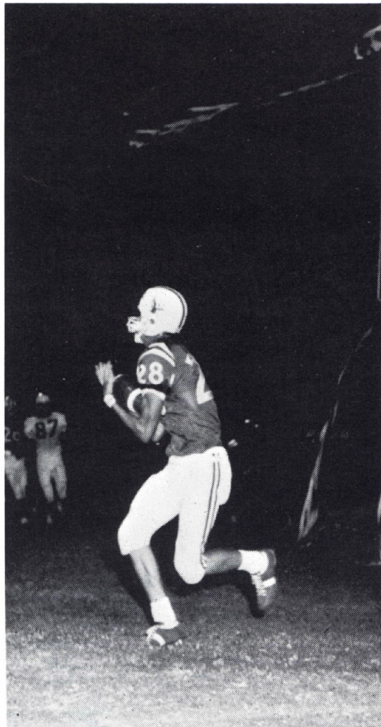

After a scoreless first quarter against the Brazosport Exporters, Pasadena's John Burns passed to Larry Henson for six points. Pasadena's extra point attempt failed. Not satisfied with the small margin, the Eagles' defense backed the Exporters out of their own end zone as the visiting team's punter helplessly watched the center's bad snap leave the playing field. In the final period a Brazosport fumble was

recovered by Ronnie Sandel just five yards from pay dirt. Burns rapidly crossed the goal, leaving the Exporters a long ride home with the score 14-0. The Big Green's excellent field position, setting up both of their touchdowns, can be attributed to Vernon Nixon's outstanding punting. The Eagle defense, playing great defensive ball and still unscored on in district play, deserved a major portion of the credit for the Eagle's second consecutive victory.

## *Eagles Suffer*

The Eagles met the Ball High Tornados on the Tornados' home field in the season's third district game. The fired-up visiting Eagles quickly secured the lead. After driving to the one-yard line, the Eagles received a five-yard penalty. Carl Scott swept end for six yards and the touchdown on the next play, and Dwain Oliver's extra point made the score 7-0. Later in the first period Scott threw a short pass to quarterback John Burns, who scampered 23 yards for the tally. Once again Oliver converted. Ball High tallied six points in the second quarter on a recovered fumble in end zone, but the Eagles roared back for another touchdown. The Scott to Burns combination worked once more for forty-six yards. Oliver's kick was good for the point and the score was raised to 21-6. Galveston dominated the third quarter and managed one more score. In the fourth quarter the Eagle defense stalled the Tor threat and emerged victorious 21-12.

Verducci (75) and Oliver (34) clear the way for Lewis (22).

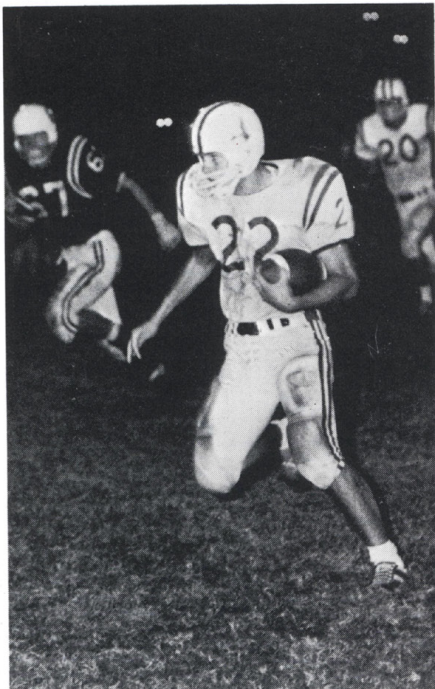

The fighting Eagles suffered their first loss of the season and their first defeat in eighteen games as they lost a heartbreaking 9-6 decision to a fired-up Baytown team. Baytown scored first on a 43 yard run. The Ganders' extra point attempt was blocked by Kary Rusk, leaving the score at 6-0. Later, in the second quarter, Baytown scored again on a 40 yard field goal, which gave the Ganders a 9-0 half-time advantage. The third quarter was a scoreless defensive battle, but in the fourth quarter Pasadena scored after an eighty yard drive. Melvin Murray slammed over the two yard line for the points. Dwain Oliver's extra point attempt was blocked by the Ganders, who held on for triumph.

Before a homecoming crowd of 16,000 the Eagles played the district-leading Galena Park Jackets and lost hopes for the district championship with a 20-7 defeat. The Jackets scored on a 74 yard pass the first time they had the ball. Pasadena came back after the ensuing kickoff to register their lone touchdown, following an 81 yard drive. Quarterback John Burns gained the score after a two yard plunge. The point after touchdown was added by fullback Dwain Oliver. Galena Park scored again before halftime on a 12 yard pass. A fourth quarter interception set up the Jackets' third score. In the Jackets' following games they advanced to the state finals, losing only to Garland, 26-20, for the championship. The play of the Galena Park team lessened the disappointment of Pasadena's boosters.

## *PHS Finishes*

A dreary Friday the 13th marked the first game between the Green and White of PHS and the inexperienced but enthusiastic Texans of Sam Rayburn. The scrappy Texans carried the fight to the bigger Eagles in the first half, and at the midway rest period neither team had managed to tally. In the third period, Pasadena High's superiority finally showed. Ben Basey's 55 yard punt return gave Pasadena fine field position, and fullback Dwayne Oliver scored five plays later on a two yard slant over tackle. John Burns rolled around end for the conversion to make the score 8-0. In the final minutes, Coach Barfield's group scored again, this time on a beautiful 21 yard pass from Burns to Larry Henson. Basey returned to the game and skirted the Rayburn end for the points after touchdown. The final minute elapsed with no change, and the two schools' first meeting was entered in the books as a 16-0 victory for the Green and White.

High school football careers ended for 27 Pasadena seniors in the season's finale with the LaMarque Tigers. LaMarque, a new entry in 12-4A after many years in 3-A, showed a potent ground attack and effective air arm in their offensive attack. The Tigers' Norman Bulaich, an All-State halfback, kicked a 30 yard field goal with 3:38 remaining in the first quarter. Pasadena fought back with a 51 yard second period drive. Steve Ohm's 23 yard run and John Burns' 17 yard touchdown scamper were the big plays in the march. The extra point attempt failed, the half-time score standing at 6-3. LaMarque scored shortly after the second half kick-off. Recovering a Pasadena fumble on the Eagle 40, LaMarque moved in for the score in only four plays. Although they missed the extra point, the touchdown was enough to insure a 9-6 victory for the tough Tiger team.

End Larry Henson goes up for long pass.

Eagles bring down LaMarque's All-State halfback.

## Season

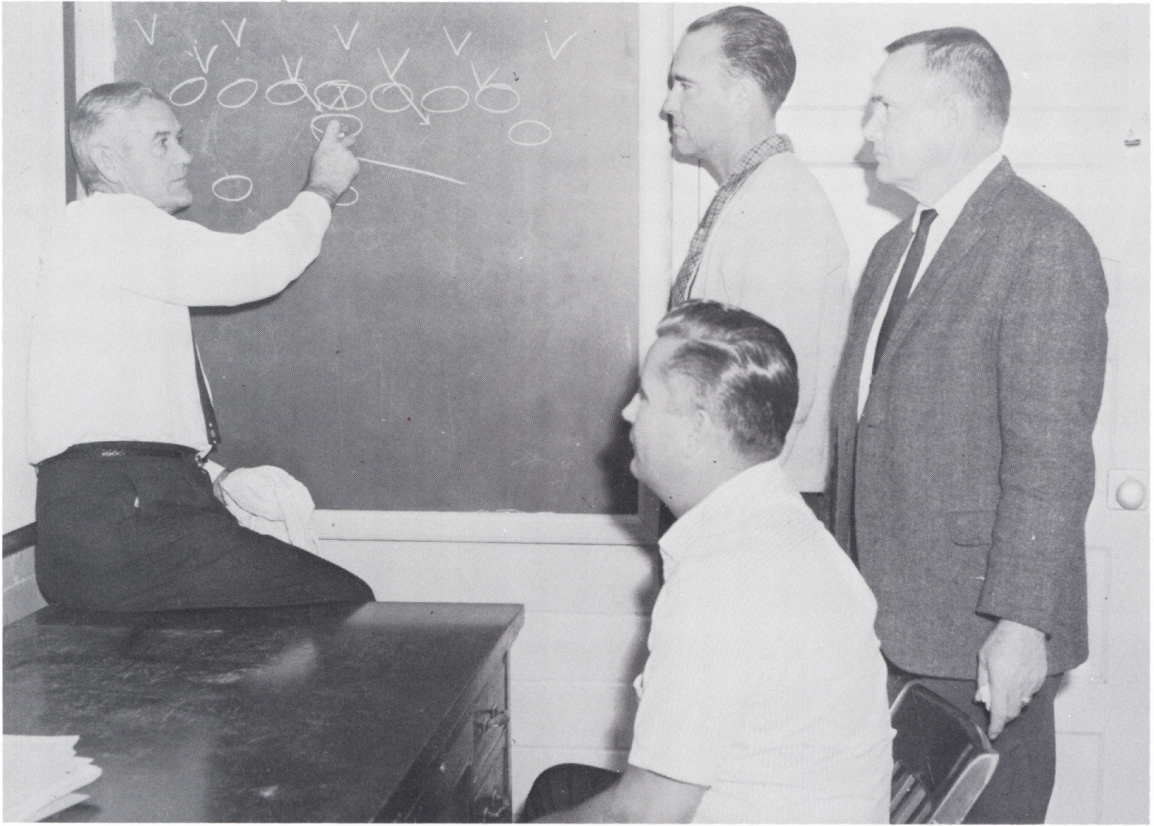

Although the 1964 varsity football team failed to win district honors, the players could take much pride from their 6-3-1 record against some of the state's top teams. The Eagles started strong but were forced to accept fourth in the district standing due to late season defeats against top-flight teams. The juniors on the team can look forward to the 1965 season while the seniors can always recall with pride a season of elation and heartbreak. Though not compiling the best record in the school's history, the Big Green can hold their heads high, knowing they did their best.

Halfback Steve Ohm finds plenty of running room.

## *Eagles Grab District Lead*

Pasadena scored its third straight district win without a defeat as it leveled the Sam Rayburn Texans, 56-37. Pasadena's well-balanced offense was spearheaded by Henson, Nicholson, and Billy Standley, with 15, 14, and 12 points, respectively.

James Coffman (34) lays up two in Galena game.

Hot shooting by two Pasadena juniors, Jim Nicholson and Don Howell, with 17 and 16 points respectively, led the Eagles to a 51-47 victory on our home court over pre-season favorite Baytown. The tall and experienced Gander team was never able to get its offense moving against the shorter, but more aggressive, Eagles.

Coach Hugh McGaugh's Eagles grabbed the league lead with a 56-41 triumph over the Galveston Tors in a game played on the Tor's home court. Senior Ricky Henson led Pasadena with 17 points and numerous rebounds.

Jim Nicholson (51) scores on a fall-away jump shot during the LaMarque game.

Nicholson's dead-eye shooting and the steady play of Standley led the Eagles to a 49-46 decision over the LaMarque Tigers. Nicholson had 23 points and Standley 12 as the Pasadena team ran its district record to 4-0.

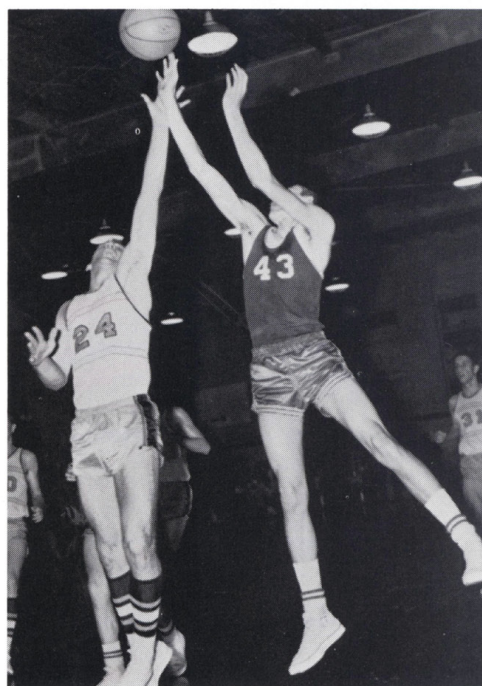

Pasadena edged Texas City 60-58 in a game in which neither team gained more than a 4-point advantage. Forward Nicholson led the Eagles with one of his finest games, 29 points and 14 rebounds.

Raising their record to 6-0, the flying Eagles swooped past the Brazosport Exporters, 56-43. Standley and Senior Forward George Burkhalter led the Eagles in scoring, with 18 and 15 points, respectively. Henson's 10 rebounds helped Pasadena to dominate the boards and control the pace of the game.

Nicholson controls the tip against Galveston.

Walter Fields (43) pops a jump shot against Galena.

Suffering their first district loss, Pasadena was outscored 65-58 by cross-channel rival Galena Park. Leading scorer, Jim Nicholson, got into foul trouble early, and the Eagle offense could not keep up with the quick Jacket attack.

Still shaky from the Galena Park game, the Eagle Cagers went down to the Baytown Ganders, 50-47. This defeat left Pasadena a 6-2 record in district play. Nicholson again led the Eagle scoring parade with 17 points.

Nicholson with 21 points and Billy Standley with 19 led the Eagles to a 65-34 victory over Ball High of Galveston. The win enabled Pasadena to maintain a tie with Texas City for the district lead.

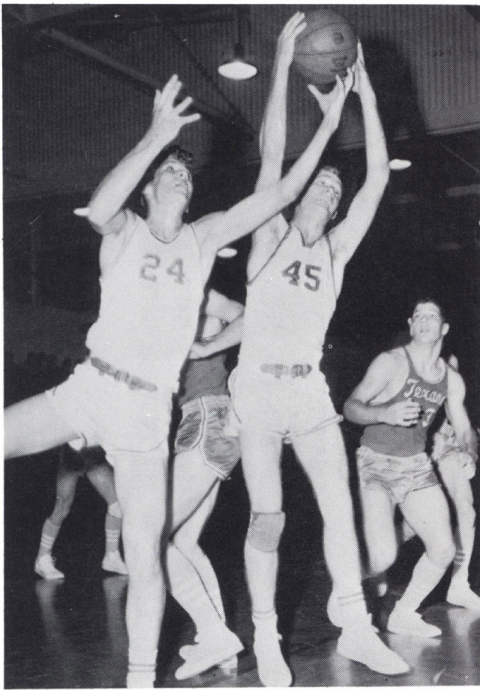

Sonny Coffman lays up two at the Smiley game.

The young Texans of Sam Rayburn surprised the Eagles in their tenth district game with a 44-42 victory. Ricky Henson was the mainstay of the largely impotent Eagle offense with 20 points.

Pasadena breezed easily by LaMarque, one of their new district opponents, 52-38. Nicholson sank 28 points as the Eagles once again found the victory path.

The Big Green came from behind to defeat Texas City 46-37 and tie for the district lead in the season's twelfth game. Nicholson and Standley were high pointers with 17 and 13 points respectively. Henson pulled down 15 rebounds, enabling Pasadena to dominate the backboards against the taller visitors.

George Burkhalter (45) and Al Osina (24) keep the ball out of the opponent's reach.

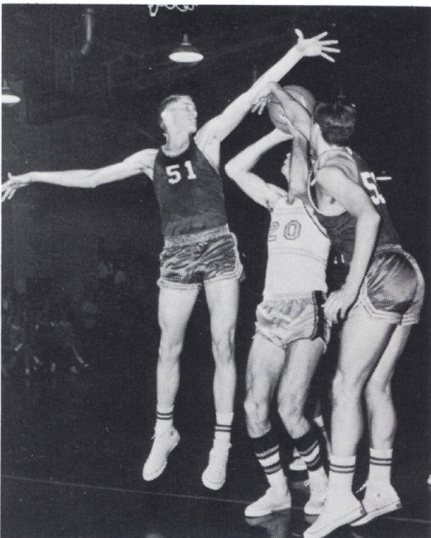

Billy Standley (55) snatches a rebound from the Texan backboard.

## *Eagles Finish*

Still reaching for the district championship, Pasadena flew by the Brazosport Exporters, 66-50. Ricky Henson's 23 points led the Eagles, but support was also added by Billy Standley and Jim Nicholson with 15 and 13 points, respectively.

Pasadena saw their championship hopes go up in smoke against the red-hot shooting of G. P.'s Jackets. Falling behind early in the game, Pasadena was never able to catch the tough Jacket fire. Nicholson with 13, and James Coffman and Standley with 12 each, kept Pasadena in the game until late in the fourth quarter.

Nicholson (51) and Standley (55) make an easy shot difficult.

Although Hugh McGaugh's Eagles failed to capture the district championship for the first time in three years, they need not hold their heads in shame. Nicholson was the district's Most Valuable Player and the second leading scorer in the district. Standley, Henson, and Coffman all finished their high school careers by winning All-District mention. A 25-12 overall record and a second place finish in district competition gave the Pasadena team plenty of reason for pride and satisfaction.

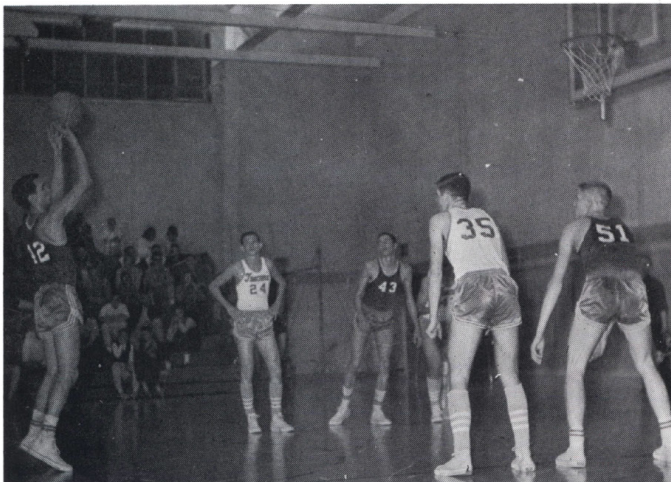

Ricky Henson (42) struggles with a Galena Park cager for a rebound.

*Second*

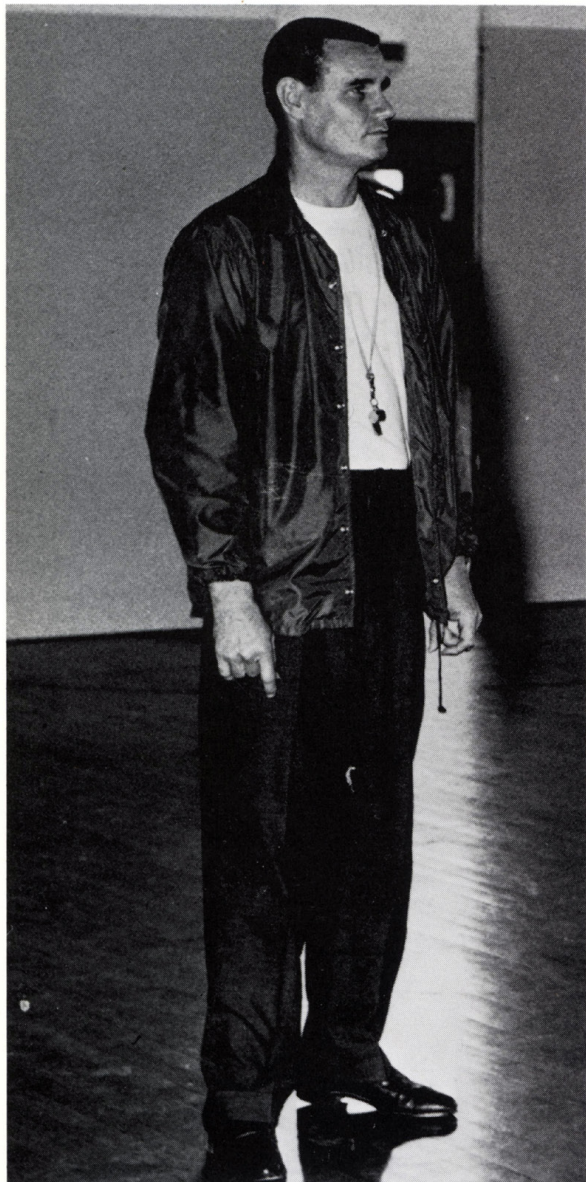

Billy Standley breaks through the Texan defense for a lay-up.

Henson attempts a free throw in the second game against Rayburn.

Coach McGaugh strikes a pensive pose as he watches next year's varsity practice.

Two boys deserving credit for their efforts during the basketball season are Manager James Henderson and Trainer Robert Hardesty. These two performed their duties well and were an integral part of the team's success.

Coach Hugh McGaugh has compiled an enviable record while at Pasadena High. In six seasons Coach McGaugh's teams have suffered only one losing season. In the past five seasons, the Eagles have finished second three times and have won the district title twice.

The past season had many wonderful moments, but the coming season now occupies Coach McGaugh's mind. With the return of the district's Most Valuable Player, Jim Nicholson, and two other two-year lettermen, Don Howell and Walter Fields, the outlook is bright. McGaugh will drill these boys and those coming to the varsity from the "B" team, until they form the aggressive and well-coached team that is McGaugh's trademark.

Coached by Marvin Guy and comprised of one freshman, six sophomores, and four juniors preparing themselves for varsity action, the “B” team compiled a season record of twelve wins and eight losses. In district competition they gained a respectable mark of eight wins and six losses. These boys will play a large part on next year’s varsity.

Coach Harold Stephens, in his first year at Pasadena, coached his two freshman teams to championships. Both the “A” and “B” teams won their districts, and these boys indicate a bright future for Pasadena basketball.

These two new coaches, Stephens and Guy, along with veteran head coach Hugh McGaugh, form the cohesive unit which directs Pasadena’s basketball fortune. These three men plot the strategy and devise the intricate maneuvers. These coaches deserve the plaudits of all who have the privilege of watching well-coached Pasadena teams play.

## *“Play Ball!”*

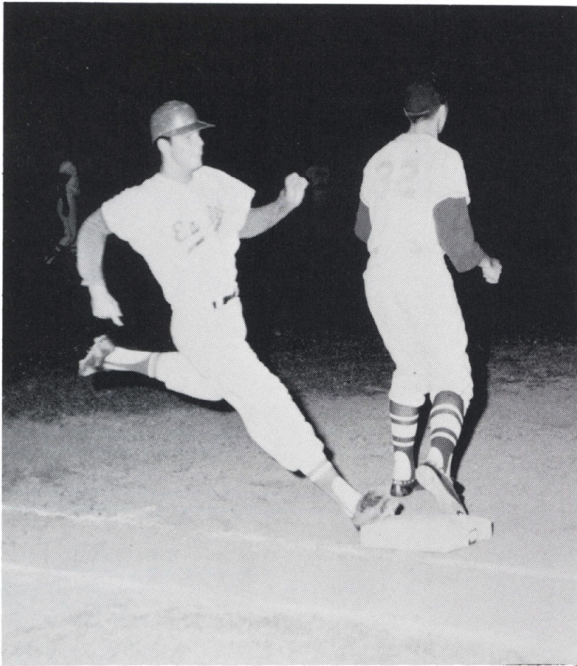

Marty Ewing forces a sliding Rayburn runner at third base.

Pasadena entered the 1965 baseball season with mixed feelings. Beginning his first full season Coach David Webb had hopes that his crew of mostly unproved players might jell into a championship club. The only proven spots in the line-up were first base, catcher, and two pitchers. The Eagles looked hot and cold during pre-district play, finishing with a record of 10 wins, 7 losses, and 2 ties.

Galen Russell easily beats the throw to third.

Ronnie Mills reaches first after a single to center field.

#### PASADENA 7 BAYTOWN 0

The Eagles began district competition by swamping the highly-ranked Baytown Ganders 7-0. Dennis Hayter led the Eagles with 3 RBI's and two for four at the plate. Linden Friday and Vernon Nixon each added a pair of singles as the Eagles out hit the Ganders eight to one. Ronnie Mills allowed only a first inning single while striking out eight to chalk up his first district victory.

#### PASADENA 1 BALL HIGH 2

It took nine innings and a suicide squeeze play for the Ball High Tors to edge the Eagles 2-1. David Willard and Billy Standley each went two for four, but the Eagles were unable to push across more than a single run. In the sixth inning Marty Ewing opened with a line drive single and advanced to second on one of Standley's hits. Bobby Reynolds worked eight plus innings allowing only four hits. Ronnie Mills then came on in the eighth and was tagged with the defeat.

Billy Standley awaits throw from pitcher as runner tries for second.

## *Eagle Nine Fight Hard*

EAGLES 2    SAM RAYBURN 3

The Rayburn Texans handed the Eagle varsity their second straight extra-inning defeat by a 3-2 score. David Willard came through with two hits in four trips to the plate to pace the light-hitting Eagles. Glen Erickson and Willard scored single runs in the third and sixth innings. Ronnie Mills went the distance and received his second straight district loss.

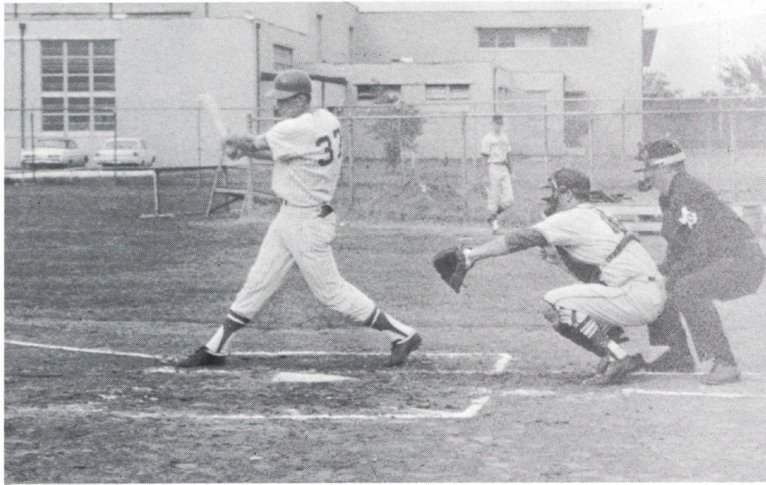

PASADENA 6    LaMARQUE 3

Pasadena opened up for four runs in the top of the first and went on to defeat the LaMarque Tigers 6-3. The Eagles were able to collect only four hits off Tiger pitching but drew 5 free passes. Vernon Nixon led the fireworks with a triple and two RBI's. After allowing three first inning runs, Bobby Reynolds settled down and recorded his first district victory.

David Willard lines one toward third.

Billy Standley shows the swing that helped earn him starting honors at first base.

PASADENA 5 TEXAS CITY 6

Nursing a 5-3 lead into the seventh inning, Bobby Reynolds was shelled for three runs as Texas City walked away with a 6-5 victory over the slumping Eagles. Starting pitcher Ronnie Taylor allowed three runs in the five innings he worked before Reynolds came on in relief. In his two plus innings, Reynolds struck out six and allowed three hits while absorbing his first loss. For the third straight game, the Eagles were able to muster only four hits.

## Baseballers Even

Caught in a run-down between home and third, Galen Russell is tagged out by a Tiger pitcher.

PASADENA 1 BRAZOSPORT 3

Still suffering from a chronic case of hitting fatigue, the Eagles were able to collect only three hits in a 3-1 loss to Brazosport. Bobby Reynolds struck out seven and allowed only four hits, but a lack of support from his teammates gave him his second straight district loss. The Eagles' only run came in the sixth inning when Marty Ewing led off with a double and scored on a wild pitch. This extended the Eagles' record to two wins and four defeats.

Marty Ewing rounds first base following his single to left field.

## PASADENA 5 GALENA PARK 1

The Eagle nine exploded for four runs in the bottom half of the second inning and breezed on to a 5-1 victory over the second place Galena Park Jackets. Billy Standley produced half of the Eagle's hits while going two for three. Ronnie Mills scattered five Jacket singles over seven innings and received credit for the victory.

## PASADENA 1 BAYTOWN 6

Pasadena began the second round of district play by suffering a 6-1 defeat to Baytown. David Willard scored for Pasadena in the first inning when, after his lead-off single and a sacrifice, Vernon Nixon blasted a line drive single to center field. Ronnie Taylor took the loss for Pasadena as Baytown scored six runs on seven hits.

Hesitating to check the throw from centerfield, David Willard rounds third on his way to a score.

# Season's Record

## PASADENA 1 GALVESTON 3

Pasadena's low point during the district season was their 3-1 loss to Galveston in the second round. This was the Eagles' fourth loss in five games and put their record at 3-6. Bobby Reynolds went the distance for the Eagles and pitched well, as he gave up only four hits. Pasadena once again was lacking in power at the plate. The only run the Eagles could manage was a solo homerun by Linden Friday in the third inning.

After tagging the runner, Billy Standley looks to second base for the double play.

As Bobby Reynolds follows through after his delivery, Billy Standley breaks off first base in anticipation of a ground ball.

## *Eagles Finish With*

### PASADENA 4 SAM RAYBURN 0

Coming back after two straight defeats the Eagles pounced on the district's cellar dwellers, Sam Rayburn, 4-0. Three runs in the fifth inning proved to be sufficient for Ronnie Mills, who allowed only one hit, a sixth inning single. Glen Erickson led the Eagle batsmen with an effort of two hits in three at-bats.

### EAGLES 4 TEXAS CITY 2

The Eagles took their third straight victory by kayoing the league leading Texas City Stings 4-2. A productive third inning provided the winning margin for left handed Ronnie Mills who won his fourth game against two defeats. Linden Friday came through with two hits in four times at bat to increase his average to .457.

### EAGLES 4 LaMARQUE 3

Linden Friday's single in the last half of the seventh inning brought in Jerry Eiler, who was running for Billy Standley, with the winning run to squeeze by the LaMarque Tigers, 4-3. Billy Standley and Friday led the Eagles with three hits in four at-bats and two hits in three at-bats respectively. Bobby Reynolds, in relief of Ronnie Taylor, received credit for the victory.

### EAGLES 1 GALENA PARK 5

The Eagles traveled to Galena Park and saw their winning streak cut off at three games by the district contending Jackets, 5-1. The rain-dampened field and ten Galena Park bunts foiled Bobby Reynolds' six hit effort. Marty Ewing produced Pasadena's only run by driving in Reynolds with a second inning double.

## Winning Season

The 1965 Eagle varsity proved to be an up and down team. In pre-district play the Eagles reached a high point when they won the Pasadena Invitational Tournament. In district play Pasadena played good ball, losing five games by two runs or less, and only a lack of hitting punch kept the Eagles out of contention. Pasadena finished strong, with three wins in their last four games. Ronnie Mills and Bobby Reynolds were Pasadena's mound aces, while Linden Friday led the Eagle hitters with a .421 average. David Webb's first full season as head coach can be counted as successful since the Eagles finished with a winning record of sixteen wins, fourteen defeats, and two ties.

After finishing high in several pre-district meets, the Pasadena tracksters, coached by Tollie McKown, finished second in the district meet. The thinclads gained seconds in both the 440 and mile relays, and enough individual points to gain the second spot. David Cole, Terry Goodwin, and the two Eagle relay teams advanced to the regional meet. Cole won both hurdles while Goodwin placed second in the high jump. Other tracksters who scored points for Pasadena in the district meet were Terry Kendrick, John Burns, Paul Moore, Tom Laura, Robert Wagstaff, Billy Wells, Rueben Espinoza, Ronnie Wiltingham, George Lankford, Larry Caudill, and Kenny Harding.

Tom Laura's final push allows him to speed past a Brazosport runner in the mile run.

Terry Goodwin utilizes expert form to win the pole vault.

Pasadena's mile relay team catches their breath after finishing a close second.

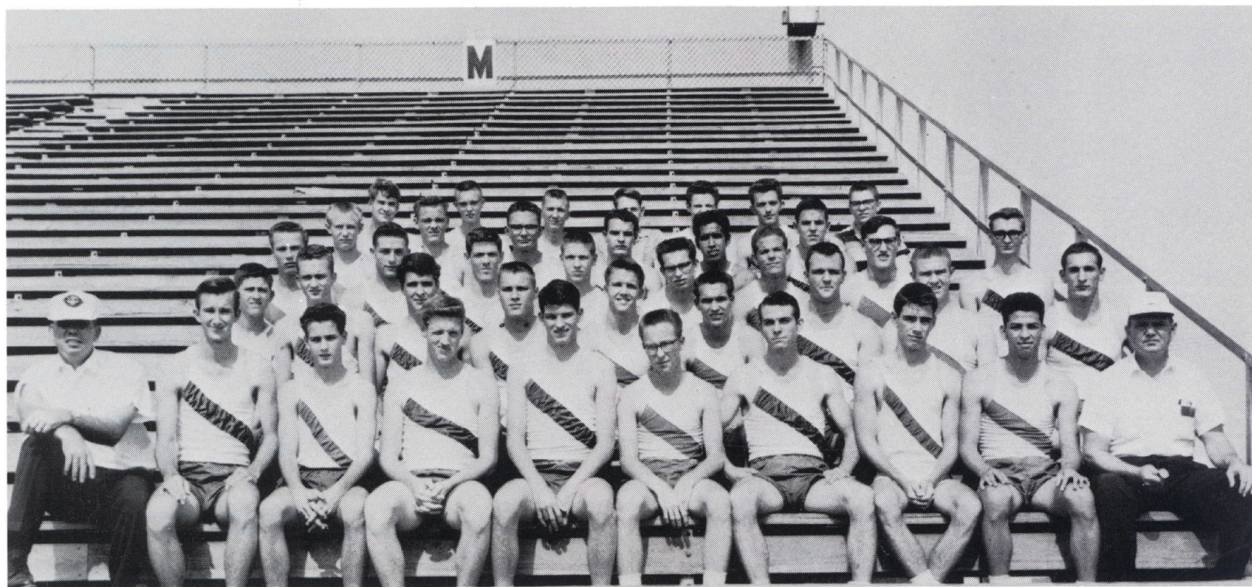

Carl Scott exhibits the Western Roll form of high jumping.

After winning both the 120 yard high hurdles and the 180 yard low hurdles in the regional meet, David Cole advanced to the State Meet in Austin. Competing against the state's top hurdlers, David finished a respectable fifth in the high hurdles and sixth in the lows. Coach Tollie McKown has great hopes for David in future competition.

The Pasadena High School 1965 boys' tennis team, coached by Grant Roehrick, spent many arduous hours practicing and competed in various tournaments in order to strengthen their skills for the district contest. Though they did not win any district titles the boys won several preliminary matches and displayed the sportsmanship for which PHS is known.

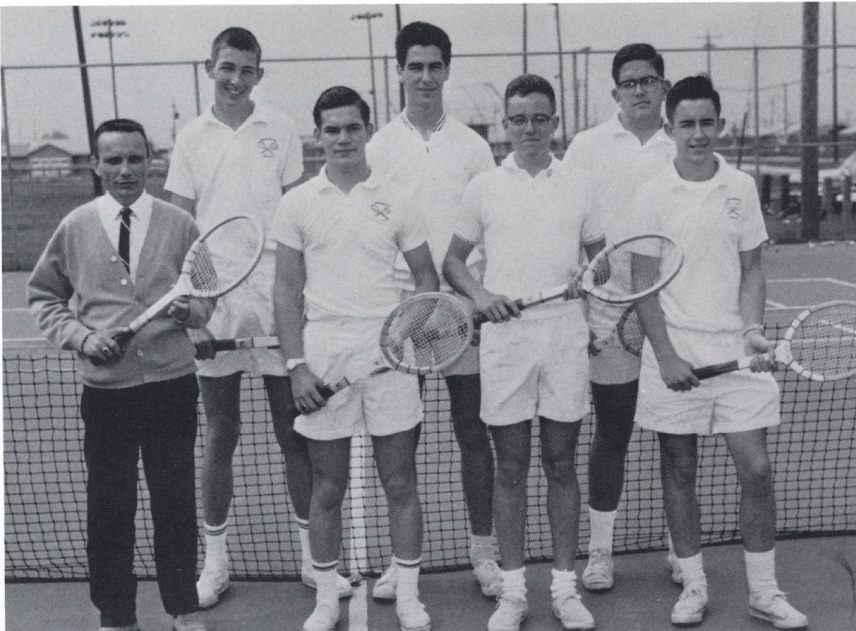

The girls' tennis team, coached by Florence Reich, competed in several contests before the district tournament. It was not in vain, for they won several matches before being eliminated from district competition.

The boys' doubles team, composed of Bobby Powitzky and Buzzy Yates, practices for district competition.

## *Swimmers Place in District*

Extensive practice in the breast stroke led to Tommy Rome's position on the swim team.

Don Cochran strives to improve his form in the free-style event.

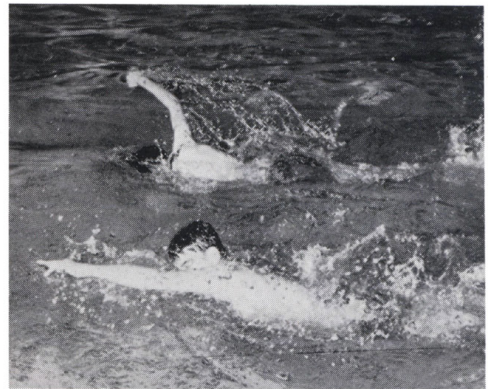

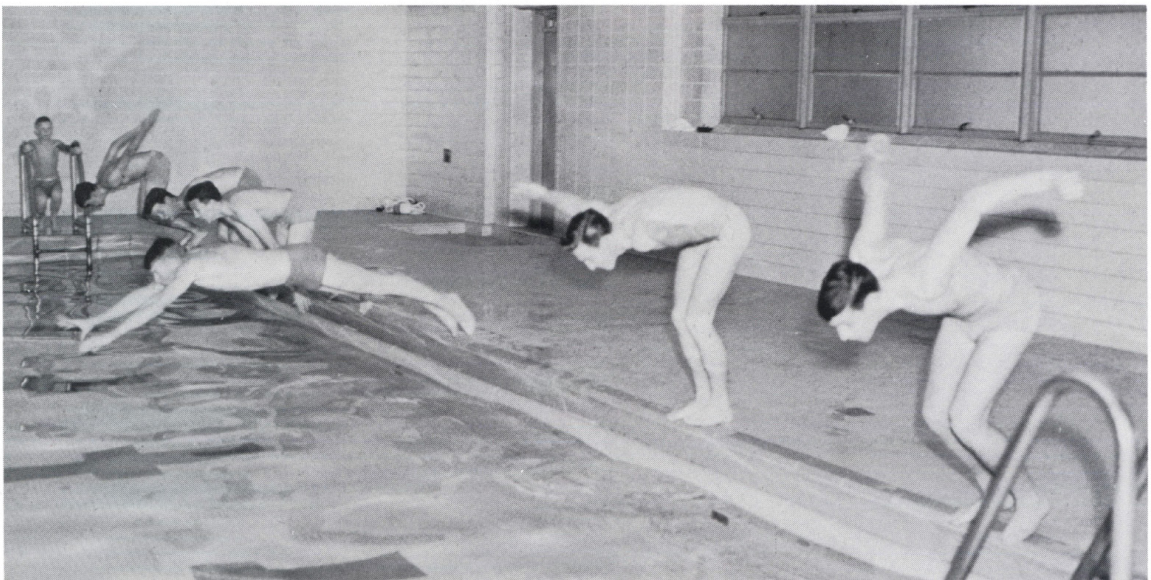

Mock races enhance the swimmers' skills.

With only two returning lettermen, Bill Wade and Charles Young, the swimming team devoted much time to building for next year. Coach Montgomery worked the boys hard from 4-6 p.m. in the pool of Southmore Intermediate School. The boys did very well in the meets considering their small number and inexperience. Those lettering besides Young and Wade were Steve Tatar, Tommy Rome, and Lindell Matthews.

Sophomore Webb McEvoy displays his golfing prowess as he drives to the green.

## *Golfers Compete in District*

Don Woody carefully strokes his putt toward the hole.

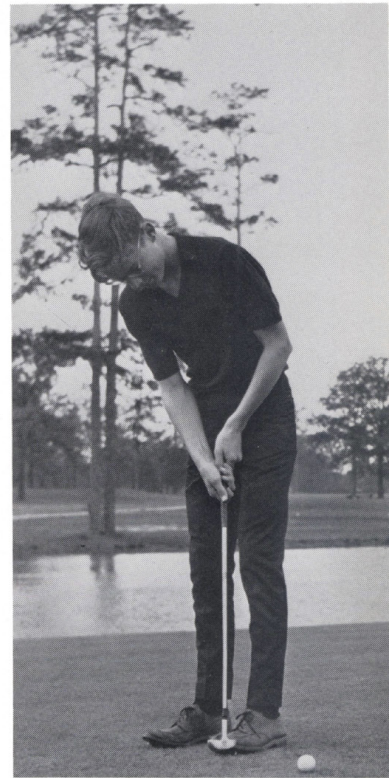

The Pasadena golf team, coached by Jack Fink, practiced diligently and entered four tournaments in an effort to prepare themselves for the district competition. On the tough Baytown Country Club course, where the district tournament was held, the number one team finished fourth out of sixteen teams. Composed of seniors Dan and Don Woody, and Ben Bassey, and junior Ronnie Harvey, they had a team total of 634. Individual play was led by Don Woody with a thirty-six hole total of 153. The four members of the number one team and Steve Wilder and John Woody were the six lettermen for 1965.
