- Credit by exam for high school courses:
- The student must have had no prior instruction in the course.
 - A student must score at least 80% on the district approved exam.
 - If credit is awarded, exam scores are recorded on the student's transcript. The score earned on a credit by exam will be calculated in the student's GPA.
 - A day of testing is necessary for students to complete each one (1) or one-half (1/2) credit course.
 - Exam results will be mailed to the counselor after scoring is completed (allow at least 30 days).
