# CLASS OFFICERS

At a special pep rally on February 7, 1958, Mr. Charles Wilson, in behalf of the Ex-Students' Association, presented the P.H.S. student body a new eagle. The portable eagle is made of plexiglass, is five feet tall, and has a wing spread of five feet. That same night the new "Baldy" went to the Spring Branch basketball game with us and led us on to victory. Thus, our "Baldy" became the embodiment of the fine school spirit which will follow the seniors wherever they go.
