MARCIA SAGER

On the night of January 31, 1958, while returning from Baytown where they had watched our basketball team defeat the "Ganders," a car load of our students was involved in an automobile accident. This accident claimed the lives of two of them. One was Marcia Sager, junior student, band member, and beloved by the student body. To Marcia the Annual staff lovingly dedicates this junior section of the yearbook.

JUNIORS

Abell, Charlotte
Adams, Hugh

Ainsworth, Reagan
