STEPHEN JENKINS

On the night of January 31, 1958, while returning from Baytown where they had watched our basketball team defeat the "Ganders," a car load of our students was involved in an automobile accident. This accident claimed the lives of two of them. One was Stephen Jenkins, sophomore student, student council member, band member, and beloved by the student body. To Stephen the annual staff lovingly dedicates this sophomore section of the yearbook.
