Football: The game at Sam Rayburn is played the same as everywhere else, with one exception: it's played with a determination to win.

The season of 1966 was not an easy one for the Texans. It opened with the Texans defeating the Tigers from Springwoods 14-0. Next the Texans took on South Houston and Westbury. These were the final games in non-district play, and the Texans took them both by scores of 26-7 and 32-7.

Baytown was the first test in district 12-4a play. The state-ranked Ganders handed the Texans their first defeat 14-7. By digging in and fighting harder, the Texans moved forward in their bid for the 12-4a title. They defeated Galena Park 16-7, Gal-

veston, 14-13, La Marque 26-7, and Texas City 35-13.

At this point the lead for the title was tied among Baytown, Brazosport, and Rayburn.

The Exporters from Brazosport were the Texans' next opponents. To win the district the Texans had to beat the Exporters by 14 points, and this they did by 17-3 before a Homecoming crowd of 12,000. The crucial win put the Texans in the 12-4a lead.

The season ended with a heartbreaking loss to Pasadena 14-0.

Looking back, we see a season of hard work, joy, and heartbreaks; a season of 8 wins and 2 losses; which is a credit to our team and our coaches.

# Improved Season

Although Rayburn has yet to field a winning basketball squad, the 1966 version was a much improved model that a two-year-old school could be satisfied with.

The Texan cagers finished the season with an 11-15 record along with a set of new school records. Among those new records is Ken Friday's total points scored of 356.

The team as a whole set a new record for total points scored in a season with 1,611 tallied for the Texans. Last year the team total was only 503 points.

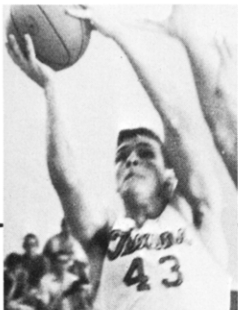

The nicest thing about all the points scored is the fact that the second and third high-point men will be back next year. They are Tim Schlalie and Travis Jaggers.

# Track

Track 1966, was a year much improved. The cinder-men competed in seven meets and compiled a season total of 424 points. This year was much improved over last as the Texans won the Jetera Relays and placed highly in other meets. The Texans also placed second in district. Led by high scoring hurdler Tommy Ratliff and the relay team of Morrison, Sollock, Varga, and Cochran, the team made a good showing in all events. Ratliff was the team's high scorer with 104 points.

The season of 1966 wasn't one of success for the varsity Texans. They started the season by winning their first three games and showing great improvement over last year. Although they showed signs of improvement; many times during the season the breaks went the wrong way. The Texans fought their way through the non-district games winning five out of eight. They also showed their potential by winning the Pasadena Tournament. They won by defeating North Shore 2-1, Spring Branch 4-3, and Galena Park 1-0. These early wins brought hope to the team for success in the district race.

District openers with Texas City and LaMarque were beneficial for the team because they won them by scores of 5 to 1 and 4 to 3. This was a good sign but as the season progresses it proved to be the turning point. Thirteen is an unlucky number and for the Texans it was really unlucky. The Texans dropped the next thirteen straight games and ended the season with a 2 and 13 district record.

The junior varsity continued their winning ways in 1966 by completing an almost perfect 18-4 season. In early competition the young Texans showed their strength by defeating their first eight opponents by wide margins in scoring. The season moved along smoothly until the team met South Houston for the second time and was defeated by a score of 2-1. Not letting defeat stand in their way they came back and won 5 of their next 8 games, dropping only to Galena Park and Pasadena. The Texas City Tournament was next on their schedule and they won it by defeating undefeated Baytown 1-0, a tough Brazosport 5-3 and Ball High 5-4 for the championship. This was the second year the team won the tournament.

## Watts and Stutts Lead Texan Swimmers

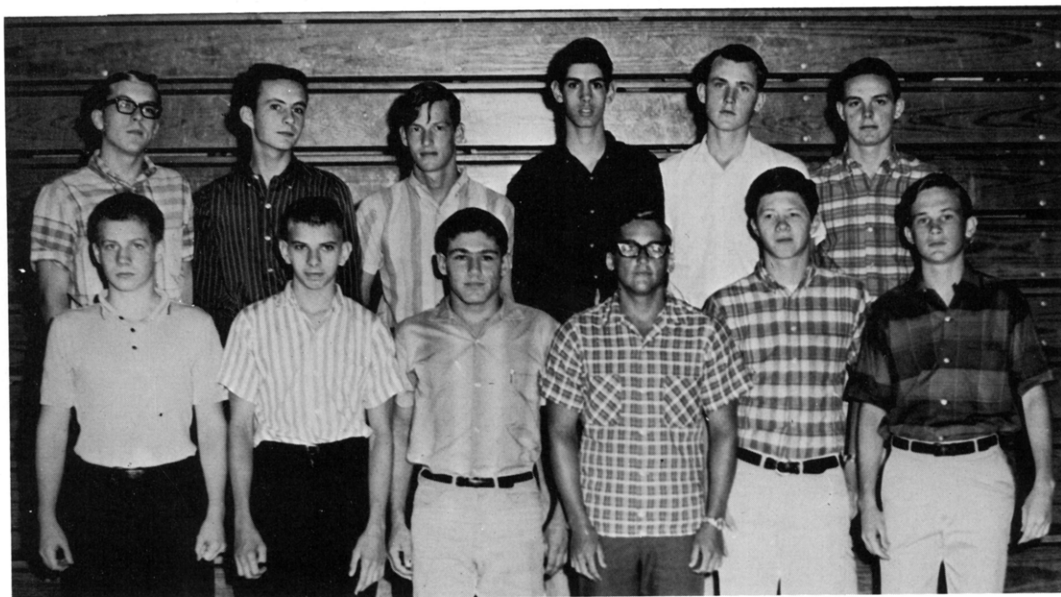

The young Texan Squad was without a single senior but they still made a good showing in district. Led by James Watts, who made all-district for the second straight year, the team won 5 out of 8 dual meets and placed fifth in district.

They also won the unofficial city championship. by putting both Pasadena and South Houston on their list of victories.

In the district meet at Brazosport they brought home a first, a third, and two fifths. James Watts beat his old record in the 100 yd. butterfly by two seconds. In the 200 yd. medley relay the team of Watts, Henry, Stutts, and White finished third. John Stutts won fifth in the 100 yd. free style and the 200 yd. free style relay team also won a fifth.
